

# Fueling Transformation Celebration Scavenger Hunt

Calling all Super Sleuths! We've hidden 9 items (some real, some illustrations) throughout tonight's Fueling Transformation program, and it is up to you to find them all. You can either have one board as a family, one for each family member, or any combination in between, it is entirely up to you!

They are scattered through the entire program so be sure to keep your eyes peeled and check them off one by one as you see them. When you have found them all either post a picture of your completed board to your social media and tag us (@SeattleChildrensTheatre on Facebook or @sct\_seattle on Instagram) or email us a picture of your completed board at [hello@sct.org](mailto:hello@sct.org) and we'll send you a special gift in the mail.

Happy Hunting!
