

YOUR OWN AMAZING MACHINE!

The Cat in the Hat has a picking-up machine he uses to clean up the mess he and the Things made. What kind of machine would you like to have?

Your Machine's Name: _____

Think of seven parts your machine needs to do what you want and write them here:

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

Draw those parts at the numbers on the machine. You can use the shapes at the bottom of the page that look like what you need, or make up your own.
