

THE _____ OF _____, BY _____

Adapt Dorothy's story from *The Wizard of Oz* by filling in the blanks with the appropriate type of word to create a new adventure. Don't just tell the story you already know—make it your own. Once you have made your own story, ask a friend (or friends) to choose the word, without showing them the story, while you write the words they choose. Then switch!

My three friends and I wanted to _____ to _____ to meet _____, who could help me get home, give Sam a _____, give Taylor a _____, and give Logan _____ . However, wicked Wendy wanted to steal my _____, so she tried to stop us. First, she enchanted some _____ to make them throw _____ at us. Next, she threw _____ at us. Then she made a field of _____ that made us _____. Luckily, _____ saved us with his/her _____ and we were on our way.

We finally arrived and met _____, who would only help us if we brought back Wendy's _____. ! On our way to Wendy's _____ house, I was taken away by a pack of _____. _____, my friends are very talented. Taylor used her _____ to encourage the group to rescue me. Logan used his _____ to lead them through _____. Sam used his _____ to get them safely to me. But Wendy almost _____ Sam with _____! So I _____ a _____ on her, and she _____. We successfully brought her _____ back to _____. My friends got their _____, and I went home to _____.
